

Since 1962

What makes UNIROPA different from other student travel companies ...?

We are the only **privately owned** and **family operated** student travel company left in the market (*ALL of our competitors are "BRANDS" of major travel corporations*).

Our independence allows us to make on the spot decisions with complete control, keeping you in mind and not the bottom line. Rest assured, we offer the same protection as any large travel conglomerate.

WE OPERATE OUR OWN PROGRAMS

Unlike most student travel companies, UNIROPA specializes in Québec. We do NOT outsource your business! From the minute you confirm with us, we handle ALL aspects of your program (*planning/ logistics/on site program*) until you return home.

“

Uniropa is a 5 star reliable company. Super organization — we received exactly as advertised — excellent value. The program was unique, inviting and unforgettable!

QUÉBEC SPECIALISTS

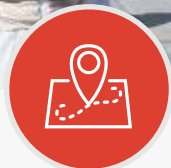

We do not offer 5, 10, 20, or even 50 destinations. It is impossible to be an expert for every destination. We specialize in what we do best - **QUÉBEC**.

We know our suppliers well and we keep a watchful eye over each program to ensure its success. We rely on repeat business, as attested by hundreds of thousands of satisfied students and teachers since 1962.

Our office is open Monday – Friday from 9:00 AM – 5:00 PM EST. We are always available to address your questions and concerns with warm personal service. As a valued client you deserve our undivided attention!

As a wise consumer, you are aware that when something sounds too good to be true, it usually is! If there is a tremendous difference in price between one company and another – ask yourself WHY? Ultimately, you get what you pay for and it comes down to “Buyer Beware” because:

The bitterness of poor quality and service remains long after the sweetness of low price is forgotten
